Parts List:

- ① Lower Mirror Cover - DS
- ② Lower Mirror Cover - PS

Installation Instructions:

1 – Begin by using your hand to pry up and pop out the inner edge of the lower mirror cover, as shown below in **Figure 1**. With the inner edge popped out pull the rest of the lower cover off, as shown in **Figure 2**.

Figure 1

Figure 2

2 – Take your OLM lower mirror cover and line the clips up before pressing it into place. It should snap back into place audibly.

3 – Repeat steps 1 & 2 on the opposite side of your vehicle.

4 – Your installation is complete, enjoy your new OLM lower mirror covers!
